STERNS & WEINROTH SHARES HOLIDAY SPIRIT THROUGH PARTICIPATION IN “CLAUS PROJECT”

December 14, 2004, Trenton, NJ — The attorneys and staff at the Trenton-based law firm of Sterns & Weinroth, P.C., are helping make the holidays a bit brighter for underprivileged area children this holiday season through their participation in The CLAUS Project, a program designed to provide Mercer County children in need with gifts from Santa Claus.

CLAUS (Children Loved by Another Understanding Santa) Project was founded in 1990 and helps fulfill the wishes of hundreds of area children who may not otherwise receive holiday gifts. The program’s primary goal is to enable the children’s parents to be Santa for their child, rather than to credit an unknown person.

At Sterns, dozens of wrapped gifts have already been collected in preparation for the holiday distribution. Each gift contains two tags: one removable tag which lists the child’s name and gift request, and a blank gift tag for the child’s parents to complete.

According to William Bigham, Managing Partner at Sterns & Weinroth, this is the ninth year that the law firm has participated in the program. “Last year our collective efforts fulfilled the Christmas wishes of more than 40 children and we hope to reach more this year,” he said. “We all find our involvement with CLAUS Project very fulfilling -- it’s especially rewarding to be able to make a difference right here within our own community.”
